By Appointment.

Viareggio, a small countryside town on the sea shore 12 miles from Pisa, is resorted to annually by tourists, the great attraction being the excellent sandy beaches with its sea bathing. It was on one of these beaches that the body of the poet Shelley was discovered together with that of his friend Captain Williams. Their boat was capsized by a sudden storm while they were on a voyage from Leghorn to Lerici, in the year 1822.
